Subject: A BIG THANK YOU

Good Morning Paul and Scott

Daniel and I just wanted to send you a brief note to let you know how much we appreciated both your time and knowledge yesterday morning. We know you are busy and it was very decent of you to give us not only your time, but also the way you were able to explain things so that we could understand. It was for us, really helpful to be able to sit down and talk to people who not only understood but was able to give significant feedback. At least now we can stop chasing our tails, we understand that it is unlikely there is anything we can do, except hopefully put the shoe on the other foot and put this guy on the run. It has all been a most harrowing experience and it needs to be over and done with but being given the opportunity to air the situation with people like yourselves and also to hear your take on this was really great.

Paul I know this is only your email address but please forward a copy to Scott.

Once again thank you and all the best to you both.

Kind Regards

Daniel and Patrice
